

### Grant Application Summary - Fall 2016

<b>Requester</b>	<b>Department</b>	<b>Description</b>	<b>Total</b>	<b>PTSA</b>	<b>Approved / Notes</b>
Counseling Dept	Counseling	Mindfulness in the Classroom-activities for teaching mindfulness to 10 <sup>th</sup> graders	\$900	Yes	Questioned effectiveness of only one 20 min session. Email sent to Nina Harrison caused them to reconsider their plans. Now doing 2 35 min sessions instead for each 10 <sup>th</sup> grade class for two consecutive Fridays
Lara Hollingworth	Biology	3D Printer for Biotechnology curriculum-creating bio-medical devices	\$3645.24	Yes	Committee appreciated the learning opportunity this presents for bio-medical devices. Question how department will pay for supplies going forward.
Dan Strom	Humanities	Shakespeare Workshop for 9 <sup>th</sup> grade- Seattle Shakespeare Co does workshops and performances for students	\$1800	Yes	Committee's own students have experienced this valuable workshop and don't want to cause the department to have to increase the student fee in order to have it.
Jen Gumas	Biology	Pipettes for biotechnology lab work	\$2700	Yes	Committee saw this as a need in order for all students to have this lab experience.
Andy Stratton	Physical Science	Tracks for building roller coasters	\$2500.98	Yes	Committee saw the value in owning these tracks for many uses across the science curriculum.
		Page subtotal	\$11,546.22		

Laura Flagg	Art	Display case for new 3D art sculptures and ceramics	\$3262.26	Yes	Committee agreed that the 3D art should be displayed prominently and be protected by a cabinet. We would like to see this cabinet be located in a high traffic area.
Krista Bjorge	Science	Ice Maker and Drying Oven for science lab	\$2779.10	Yes	Committee saw this as a need.
Kate Agnew	Physical Education	Surface Tablets for PE teachers to use outside the building to collect data, show videos, etc	\$1968.82	Yes	Committee agreed that having tablets for data collection and video instruction was valuable to all PE students.
Lena Hanson	Wellness	Outdoor equipment for Outdoor Adventures class and Sound to Summit Club	\$800	Yes	Committee agreed to fund so that students can fully experience a well-equipped adventure.
<b>Totals</b>		Page subtotal	\$8810.18	<b>\$20,356.40</b>	<b>Grand total amount</b>
