

**Lake Washington PTSA Council
Sustainability Committee**

presents

**Creating Healthier Indoor
Environments**

for Children to Thrive

WEDNESDAY, APRIL 21 | 7:00 – 8:30 PM

Join a panel of experts to explore how our environment affects learning, behavior, and health. Learn ways to create safer, healthier, and more inclusive environments in schools and at home.

Register for this virtual event at

<https://us02web.zoom.us/meeting/register/tZMtd-ypqTsvHdJP9zH55pfZF3pRUwcq7hor>

Speakers:

Nancy Bernard, WA State Department of Health
Kathleen Compton, US Environmental Protection Agency
Robert Foster and Mariah Jones, LWSD Support Services
Pauline Osborne, Registered Nurse and Parent Advocate
