*The Lake Washington PTSA Council's Scholarship Program awarded its first college scholarships to four graduating seniors in 1982, electing to fund these awards through an annual local unit assessment. As the school district has grown, additional scholarships have been added as well as scholarships for staff members to assist them with the cost of continuing education.

**Additional revenue for the scholarship program has been obtained through the PTSA Council's annual Basket Auction. Without a chairperson to coordinate an auction, it was decided to collect monetary donations this year in lieu of submitting an auction item. Many PTSA's have a line item for the expense so we welcome that donation or an amount your PTSA is comfortable contributing.

Thank you very much for your participation in this program!
