

2024 AWARDS NOMINATION FORM

Each year, LWPTSA Council highlights individuals who continually contribute their time to support our students, schools, PTSA's and the Lake Washington School District, beyond the borders of a single local school. The Awards Committee will select recipients to be recognized at the annual Founders' Day Celebration. **The deadline for submitting nominations is Thursday, Jan. 4, 2024.**

Mark all that may apply. (Descriptions of each award are listed on the second page of this form.)

LWPTSA Council Award Descriptions and Criteria

Community Service Award is given to someone in the community who works on behalf of **all** children and youth and promotes high standards in education. This person believes in, practices, and encourages community involvement and service.

Community Outreach Award recognizes a **community group, business or partnership** contributing to and affecting the students in the Lake Washington School District, not limiting its outreach to a single local school community. This group or organization has a long-term commitment to the health and welfare of our students by offering outreach support, such as by monetary funding, product donations or services.

Certificates of Special Service are given to individuals who have done an outstanding job in their project or area for Council.

Golden Acorn Award is presented to an individual who has given outstanding service to **all** children in the school community, not just an individual who has donated time to help in their child's class or a staff member who is doing a good job. It is to recognize volunteer service "above and beyond" a particular job description.

Outstanding Educator Award is presented to an individual who goes beyond the normal expectations of their job to make the learning environment fun, beneficial and challenging. An educator may be defined as a teacher, assistant, custodian, bus driver, administrator or community member.

Outstanding Advocate Award recognizes and honors individuals for continued and dedicated service to **all** children, and a demonstrated commitment to help create strong policies relating to the health, welfare, safety, and education of children and youth.

Outstanding Service Award, the highest honor bestowed by the Washington State PTA, is presented to an individual who may have already been honored and who has continued to give extraordinary volunteer service to children. The recipient works for children beyond the bounds of a job, PTA or specific school community, and is concerned with **all** children and willing to work to help them achieve their potential.

Honorary Life Membership Award is presented to an individual who has made a significant contribution to the growth and development of PTA.
